FOREWORD

Wapakoneta High School students enter into a variety of activities during their four years of high school. All of these activities are important as each in its own special way prepares the student for his role as a future citizen. The "Retro" staff in the 1965 book has tried to show the students of W.H.S. as they prepare for the future.

DEDICATION

Mr. Ratliff graduated from Butler University with a B.S. in Education. He received his M.E. from Bowling Green State University and has 37 hours toward his Doctorate from Toledo University.

In the fall of 1959 Mr. Ratliff came to Wapak to teach English in the 7th and 10th grades. For the past five years he has been the principal of Wapak High School.

Mr. Ratliff often uses the following quote to sum up his feeling toward W.H.S., "I have enjoyed these six years as I have never enjoyed any other six years of my life."

It is with sincere regret that we at Wapak High see Mr. Ratliff leave. He has been a source of guidance for us during his six years here. To you Mr. Ratliff we dedicate our '65' Retro.

ADMINISTRATION AND FACULTY

A good administration and a co-operative faculty can bind a school — with all its different elements, subjects, and activities — together into a single, well-functioning whole.

Such has been the 1964-65 school year at Wapakoneta High. Through excellent instruction and understanding actions, and by setting fine examples, the administration and faculty have inspired W.H.S. students on to higher and better dreams and aspirations.

MR. F. O. ELLSWORTH

MRS. JOANN HOWARD
Secretary to Mr. Ellsworth

BOARD OF

Leslie R. Ratliff, Wapakoneta High School principal, is in charge of the high school program and also represents the school in the Ohio High School Athletic Association. He is an advisor of the Future Teachers of America, The National Honor Society, and the Student Council, in addition to being the president of the Western Buckeye League for the current year.

Mrs. Bernice Ruck and Mrs. Evelyn Rader are the secretarial staff in the high school office. Mrs. Ruck handles all correspondence and student records in addition to issuing student passes and acting as receptionist for the public. Mrs. Rader divides her efforts between secretarial work in the adjoining guidance office and assisting Mrs. Ruck during peak work periods.

The board, as a group, is a member of the Ohio School Boards Association; Mr. Ellsworth is a member of both the American and Ohio School Administrators Association; Mr. Ratliff is a member of the National and Ohio Secondary School Principals Association; and all administrators are members of the National Education Association and the Ohio Education Association.

The board of education is the employing and legislative body of the Wapakoneta City School System, developing and approving policies in accordance

with law and the educational needs and wishes of the people. Consisting of five members elected at large in the school district, it meets monthly in sessions open to the public.

To keep its records the board employs a clerk-treasurer who is responsible for financial affairs of the board. Since the clerk handles money, he is bonded in this performance. Mr. A. E. Katterhenry has been a most efficient clerk since he was first employed in 1957.

As of January 1, Mr. Ruck, President of the board, has served 11 years; Mr. Leo Peterson, Vice-President, 1 year; Mr. Clarence Miller, 7 years; Mr. Harvey Bell, 6 years; and Mr. Gerald Bobb, 5 years.

The superintendent, F. O. Ellsworth, is the professional advisor to the board of education and the chief school administrator of the school system. He, the high school principal, and the three elementary principals compose the administrative team which works for the welfare of the teachers and pupils.

Mrs. JoAnn Howard is the capable secretary to the superintendent and clerk. She is not only an efficient secretary but also acts as a receptionist, writes working permits and performs many other duties in the course of a day.

Wapak High's science department is keyed to today's world of satellited, missles, and atomic inventions. General Science — a required course, Biology, Chemistry, and Physics all teach WHS students basic knowledge about subjects ranging from protozoa to force components and from plutonium to plankton. Its courses are presented and augmented by lectures, film strips, experiments, outside speakers, and field trips. With a wide range of scientific materials and equipment at hand, WHS students of today could well be Nobel Prize winners of tomorrow.

English is the native language of more than four countries and is spoken by over three hundred million people. Not surprisingly then, English classes are taught all four years at Wapak High, and include courses in remedial English, college-preparatory English, and speech.

Wapak High's business department teaches students commercial skills in preparation for future vocations or as self-aids in private life. Courses taught include both personal and regular business typing, bookkeeping I and II, sales, general business, clerical practice, and business law. The completion of these subjects insures a thorough grounding in the operation of business machines and a working knowledge of office procedure. Students often gain actual business experience by acting as secretary to various teachers or helping in the principle's or superintendent's office.

Wapak High offers both basic and specialized vocational training courses in agriculture and industrial arts for students wishing to be farmers, veterinarians, mechanics, electricians, architects, or shop workers. In vocational agriculture students are taught latest methods and developments in grain production, animal raising, and farm budgeting. Classes in electronics, drawing, and metal working, an auto body shop, and various tools and machines all help prepare students for future professions requiring specialized knowledge in the mechanical or electrical fields.

LANGUAGE

MRS. MARY LOUISE SAYRE
Western Reserve, Ohio Wesleyan, A.B.
Latin Club Advisor

A new language laboratory and a curriculum including Latin and Spanish courses indicate that Wapak High has an active interest in the study of foreign languages. Students not only learn conjugations of foreign verbs and strange noun declensions in their classes, but they also delve into the history and geography of the lands from whence their new tongue originated. Latin I and II bring back the days of Ancient Rome with its gladitorial contests, chariot races, and mythological lovers and heroes. In the three years of Spanish offered students study dress, the food, and habits of Old Mexico. Present day life and activity of the countries is also studied in class by means of newspapers, magazines, and film strips.

ART

MR. RICHARD C. CHADWICK

The Art Department is one of the busiest departments at Wapak High. Students are taught all types of painting and drawing. They also do special projects in symmetrical design, enamel work, clay sculpture, and modern collage.

The Art courses are designed to teach students the basics of art and to prepare interested students for future training in related art fields. This year the department traveled to Bowling Green University to tour the art buildings and discover how college art courses are conducted.

The Wapak High history department includes courses in American History, American Government and Economics, World History, and World Geography. American History and Government-Economics are curriculum requirements. Together they teach the student facts about his country's history, its federal system, its finance, and its peace in current world affairs. World History and World Geography are additional courses, teaching background and facts about the various countries sprinkling today's world.

MATH

MR. VICTOR BLANKE

Senior Class Advisor

The mathematics department at Wapak High is designed not only to provide students with a working knowledge of every day arithmetic and give them a basis in logical reasoning, but also to supply advanced training in higher mathematical fields to the students who thinks that the "numbers tacket" may play a specific or total part of his future vocation. General Math or Algebra I are prerequisites the freshman year. Geometry, second year of math offered, teaches a student how to employ his gift of reason, both in working out various mathematical proofs and in every day situations. Second year algebra is a teaser for juniors, and seniors. Mainly a continuation of freshman algebra, it provides harder problems, and requires more thinking and a higher incentive. Combinations of algebra, geometry, trigonometry, and college-rank problems make up the final figures class, Math IV.

GUIDANCE

Counseling in regard to future employment or college plans, helping a student decide what courses he should take next year in high school, and perhaps settling misunderstandings between teachers and pupils, are all part of the day's work in the Wapak High guidance department. The guidance counselor is always busy solving problems, filling out college applications and recommendations, or recording test results and information. Even though it is the smallest department in size at Wapak High, it is one of the biggest in value to the student body.

MUSIC

MR. JACK C. BIGELOW
Ohio Northern, B.S.

WHS boasts of the finest music departments in the state. This year as in the past, the instrumental department put on tremendous football half-time shows for which they are well noted. They also presented several excellent concerts throughout the year. The vocal department made an outstanding performance of "The Sound of Music" early in the school year, and gave several excellent programs later in the second semester.

All credit should be given to the two instructors who have raised the standards of the music department to the high points which they have attained. They are Mr. Jack C. Bigelow of the instrumental department and Mr. Walter Kehres of the vocal department. Both men are devoted to their work and to furthering the advancement of music.

HOME EC. & LIBRARY

Being a good wife and mother, understanding basic finance, and saving money through time-proven short cuts all go into the formula for a good homemaker. The home economics department of Wapak High attempts to teach its students just that, and does it all in two rooms — one for sewing and class discussion, the other a large kitchen with stoves, dinette sets, a washer and dryer, and other sometimes confusing equipment for down-to-earth training in homemaking skills.

Ceiling high bookshelves display the bounty of reference volumes, encyclopedias, traditional classics, current fiction, and best sellers that go into the making of the Wapak High student library. MISS NANCY EBERSOLE

The physical education department teaches good sportsmanship and basic athletic skills to all Wapak High students. Classes meet twice a week, and in time students all participate in softball, volleyball, basketball, trampoline practice, swimming, tennis, exercises, relays, archery, dancing, weight-lifting, tumbling, or rope climbing. Attempts at some of these athletic feats often turn out ludicrously funny, or even as out-and-out failures, but nevertheless, students keep finding that physical education is one of the most fun-filled and interesting classes held at Wapak High.

FEATURES AND STUDENT LIFE

Not all is hard work in a student's life. Special events and awards play an important part in the social well-being of our future citizens. The honors bestowed upon W.H.S. students were many and were a source of pride for the entire student body.

Events such as homecoming, the prom, and the operetta give the students the opportunity to show their talents and creativeness.

THE SPIRIT

These four students, known only to the principal and the four students prior to being publicly acknowledged at the Honors Assembly, make up the "Spirit." These seniors are chosen not merely on the basis of scholarship, athletics, or music; but are selected also because of the specific intangible they have in common – leadership.

They are respected by the other students because of their special skills, but even more so because of their school spirit, which is the personification of the school spirit we hope is present in the students.

The "Spirit" places signs throughout the building all during the school year, emphasizing both academic achievements and extra-class activities. All this work must be done before or after school and involves giving up many hours of leisure in order to carry on the tradition of greatness established by the "Spirit" in previous years and to develop it even more fully.

THE SOUND OF MUSIC

This fall the chorus department presented its annual operetta. This year's presentation, under the direction of Mr. Kehres, was "The Sound of Music." The story of the Trapp Family was professionally performed after three months of diligent rehearsal. The art department, under the direction of Mr. Chadwick and Priscilla Madison, spent weeks preparing the beautiful scenery.

After three successful performances, the entire cast was treated to a party to celebrate their achievement.

Marsha's escort was Ron Evans. Senior attendants were Cinda Abe with escort Stan Weber, and Martha Seitz, escorted by John Schwarck. Juniors Alice Thorpe and Terry Swink, and sophomores Julie Setser and Ray Meyers, completed the Homecoming court.

After one of the band's most sparkling half-time shows of the season, the Redskin eleven brought the Homecoming contest to a perfect end with a victory over the Shawnee Indians. Marsha and her royal court reigned over the Homecoming Dance which followed.

After graduation Loren plans to enter Bowling Green State University to major in Business Administration and Sales and Marketing.

The purpose of the Mr. FBLA and the Miss FBLA contests is to give recognition to outstanding high school students who possess leadership qualities and who plan for careers in business.

Loren and Karen fared very well in their contests with Loren being named Mr. FBLA of Ohio and Karen, first runner up in the Miss FBLA contest.

Miss F.B.L.A. of OHIO First Runner-up

Karen Mertz was chosen to represent us in the Miss FBLA contest. She has attended the State Convention for two years, and participated in the speech contest last year.

CLASSES

Students at Wapakoneta High School find a bond of friendship among their fellow classmates which will last throughout their lives. Each student working to make his class the best, develop the spirit of competition and the ability to work with others.

The class plays an integral part in the development of these intangible values which are so important in our modern world.

SENIOR CLASS 1965

The mighty class of 1965 entered its senior year with a warbonnet full of past deeds. As little freshmen, they had elected Eric Fisher, Marsha Jeanneret, Brent Dearbaugh and Ron Evans as class officers.

Their sophomore year, John Schwarck was at the helm with Joy Bittikofer as secretary-treasurer, Priscilla Madison as service director, and Marsha Jeanneret as vice-president. Peggy Zwiebel was elected Homecoming attendant. Representatives to Ohio University's Journalism Workshop were Jane Brewer, Phyllis Ellsworth, Priscilla Shaw, and Linda Tabler.

Marsha Jeanneret was class president, Jane Brewer, secretary-treasurer, Roger Kline, vice-president, and Loren Elsass, service director for their junior year. Marsha Jeanneret was chosen as Junior Homecoming Attendant. Kay Stroh, Michele Bowsher, with Ricky Raup as alternate, went to Music Workshop at Ohio University. Girls' State representative was Priscilla Shaw, and the representative to Boys' State was Ed Rohrbaugh.

The final year for the class of 1965 was marked with brilliant achievement. Ron Evans was chosen to lead the class through its final year, with Phil Bowsher as vice-president, Roger Kline as secretary-treasurer, and Rodger Geren as service director. Marsha Jeanneret reigned as Homecoming Queen with Cinda Abe and Marty Seitz as her senior attendants. The senior girls compiled a record high grade average. The football team won the WBL football co-championship. And together the whole class set an unbeatable record of good sportsmanship and school spirit.

The seniors' last Redskin year was also marked with anticipation of future careers. College, jobs, families, or Uncle Sam were heavily prevalent in most seniors' minds.

The effervescent class of 1966 entered its junior year with big plans. To keep up with the school spirit they attended football and basketball games and continually supported the Redskin team. They worked long and hard to make the prom a big success. And with an eye to the future, they studied diligently to keep those grade point averages higher than ever.

By the year's end, most juniors knew what they wanted to do after high school. They select their senior schedules accordingly, and then wait patiently for their year of the big eagle feathers.

CLUBS AND ORGANIZATIONS

From band and chorus for the musically gifted to the high school newspaper and yearbook for those interested in journalism, W.H.S. clubs and organizations offer unlimited opportunities to active students for fun, excitement, and specialized learning.

District F.B.L.A. meetings, Latin conventions, F.F.A. judging competitions, State and National Homemaking contests, and annual concerts and operettas total up to innumerable amounts of fun, hard work, and accomplishment on the part of Wapak High students. Activity in these and other organizations, such as National Honor Society and Student Council, teach students responsibility, organization, and good leadership.

BAND

The Wapak High Band is composed of over one hundred instrument-tooting, music-loving members who meet once and sometimes twice a week to practice music, marching, and special instrumentation.

During football season the band is at the peak of its activity. Practice sessions are called on Tuesday and Thursday evenings, besides the instruction the members receive during band class that day. The "loosey-goosey" and "fancy to the rear" again become familiar terms for special march steps. Horns, shoes, belts, and even hat plumes are sprayed with luminous paint for that special black light effect. And the marching tunes must be memorized, white bucks polished, black socks dug out of dresser drawers, and holes cut in the ends of white gloves.

Pace slackens for the band members after the last football game, although no one could ever call it slow. Now it is concert season, and woodwinds and tympanies are brought out alongside the brass. Although practice is held but once a week, a special Harmony and Theory class is also held for students who wish to learn composition and transposition of music and other must practice solos for the formal spring concert.

The band continually plays a part of WHS student life, whether it's at football games, pep rarries, or special programs.Three cheers for the band! ! !

The popularity and success of Wapak High's chorus is evidence that loyal Redskins enjoy vocal music as much as athletics or half-time highstepping. The vocal department is made up of many voices, whether singing in unison or separated into the freshmen chorus, high school chorus, girls' ensemble, boys' ensemble, or a new group this year, the mixed ensemble.

Students study and sing the works of past and present composers. They also rehearse and give various music programs throughout the year for both Wapak High students and various community organizations. This year the chorus' biggest endeavor was the production of a hit Broadway show, "The Sound of Music."

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association, GAA, is made up of over a hundred girls who are interested in sports and athletic activities. Under the guidance of Miss Nancy Ebersole, the group advisor, the girls have formed volleyball and basketball teams, have participated in bowling tournaments, and have met regularly for GAA play nights.

One annual event that every GAA member awaits eagerly for is the freshman initiation held at the beginning of the second semester. The new members are honored with various new delicious dishes, exciting entertainment, and to keep up with current automation, a demonstration of the spanking machine. A more serious banquet is also held at the end of the school year to honor senior members, announce newly elected officers, and to award pins and letters to the girls who have earned enough qualifying athletic points.

All girls interested in athletics are eligible for membership.

Before the girls are initiated, they must accumulate 150 points by participating in various activities. There is a playnight every six weeks at which time tournaments in basketball, volleyball, softball, etc. are played.

This year there is a reserve and varsity basketball team which competes against other schools in this area. The varsity record is 6 wins, 0 losses; the reserves, 0 wins, 4 losses with three games remaining to be played.

NATIONAL HONOR SOCIETY

Each year outstanding high school students across the United States, Latin America, Europe, and Japan are inducted into a small scale Phi Beta Kappa — the National Honor Society. The purpose of this society is to uphold the qualities of scholarship, leadership, character, and service, both at school and in daily life.

To gain admission the students must show outstanding merit in these four qualities. Since only fifteen percent of the senior class and ten percent of the junior class are eligible for membership, the honor of being a WHS member is one of the highest attainments possible in one's high school career.

STUDENT COUNCIL

Row One: Mr. Carter, Mr. Green, John Schwarck, George Oyer, Judy Berg, Mr. Schaadt. *Row Two:* Joyce Bailey, Phoebe Parlet, Sue Grumling, Judy Lucas, Richard Frey, Dave Cooper, Roy Thrush, Peg Zwiebel, Jane Copeland, Bev Regula. *Row Three:* Edith Flinn, Kathy McKenzie, Kenny Helmlinger, Philip Bowsher, Roger Kline, Dale Hibner, Kenny Erb, Joerdis Jauert, Diana Fritz.

The Redskin student council is one of the most active organizations at Wapak High. Although the main work of the student representatives is to deal with school problems and to try to increase understanding between the student body and faculty, the council members still have time to plan dances and celebrations, and to raise money for various council operations.

This year the council sponsored the Homecoming, the Mistletoe Ball, and a Sadie Hawkins dance. They also sold school supplies at noons — financing a scholarship for worthy seniors — and initiated the use of a student suggestion box.

Roger Kline, Jane Copeland, Kenny Erb, Dave Cooper work to make the 1964 Homecoming the best ever.

Edith Flinn gives Dale Hibner lessons on how to paint signs.

Row One: Joi Rader, Jean Mertz, Kathy Dickson, Becky Sunderland, Linda Tabler, Diana Fritz. *Row Two:* Debbie Frazier, Marcia Stahler, Karen Mertz, Priscilla Shaw, Nancy Peterson, Marilyn Bodey, Nancy Boltz, Cinda Abe, Judy Lucas, Linda Harrod, Jane Wiley, Barbara Rickert. *Row Three:* Marcia Heil, Margaret King, Linda Howell, Darla Newland, Paula Allen, Candace Gearing, Bob Lightle, Jane Brewer, Cyndi Swonguer, Lon Zwiebel, Michele Bowsher, Linda Werner, Donna Lones.

RETRO

Retro Editors, Priscilla Shaw and Jane Brewer study yearbooks from other years with their advisor, Mr. Coburn.

Recording the year's events in pictures takes hours of time and requires unquenchable energy on the part of the Retro staff members and editors and advisor. Yearbook operation begins early in the fall with the sale of patron page ads to local businessmen and continues, with late hours of page-pasting and picture snapping, throughout the year. The 1965 Retro saw many important changes including the addition of eight new pages, several new student sections, and the use of color.

Hunchback Shaw inhales her tenderloin as Darla Newland and Jane Brewer pretend not to notice.

LANTERN

Row One: Joi Rader, Chris Schmaltz, Dianna Fritz, Judy Lucas, Daneene Fry, Larry Coate, Betty Carnes. *Row Two:* Mrs. Bault, Advisor, Linda Tabler, Joyce Carnes, Kay Stroh, Sally Coate, Darla Newland, Phyllis Ellsworth, Kathy McKenzie, Nancy Peterson, Marsha Jeanneret. *Absent:* Karen Mertz, Kathy Dickson, John Kies.

The Lantern is a weekly reflection on the lives, antics, and honors of WHS students and faculty. Staff members are continually busy interviewing, writing features and leads, typing articles, searching for last minute "unscooped" news, and setting the final printed column dummy. With daily deadlines to meet, and with news constantly happening, staff participation means a flurry of endless activity.

Row One: Linda Clay, Carol Zuercher, Judy Adams, Nancy Boltz, Helen Hengstler. *Row Two:* Mrs. Bambauer, Advisor, Susan Bogart, Karen Mertz, Dianne Bovee, Marta Hines, Joyce Mahan, Terry Karns, Charlene Jackson, Marcia Stahler. *Row Three:* Judy Lucas, Barbara Topp, Margaret King, Terrel Maxson, Paula Allen, Susan Watt.

STUDENT SECRETARIES

Junior and Senior students from the Business department gain vital knowledge and skill in their role as student secretaries. Mrs. Bambauer assigns the students to a teacher for the school year. The students are expected to do secretarial work for the teachers during business classes or study halls.

Row One: Angie Weissinger, Barbara Topp, Maurice DeVore, Steve Copeland, Mike Rinehart, Larry Elsass, Kay Kinninger, Patty Evans. *Row Two:* Nancy King, Charlene Jackson, Marilyn Bodey, Judy Lucas, Suzanne Damon, Jeanie Moore, Nancy Boltz, Jean Hines, LaDonna Cummins, Patty Zink, Marsha Dunnavan, Jolene Zuercher, Elaine Webb, Carol Zuercher, Joy Dicus, Marilyn Schroer. *Row Three:* Fred Pepple, Marcia Stahler, Judy Cummins, Barbara Thomas, Teri Karns, Karen Mertz, Omar Eaton, Jean McBeth, Marilyn Ramey, Chris Slusser, Charlene Eisert, Chris Schmaltz, Dixie Alexander, Linda Clay, Mr. Carter, *advisor. FUTURE BUSINESS

We are very proud of our Future Business Leaders of America Club at Wapakoneta High. Our local chapter received the "Gold Seal Award" on their eleventh anniversary at the national convention in Washington, D.C. Of ninety-eight schools in Ohio, only eight schools hold the distinction of receiving this award. For the past four years, our contestants in the Mr. and Miss Future Business Leader of America Contest have placed in the first, second, or third award categories in this contest.

On our twelfth anniversary we traveled to Dayton, Ohio, for the Seventeenth Annual State Convention with twenty-eight of our local members attending. These members brought a great honor to our school by winning the trophy for third place as "Outstanding Chapter" in Ohio, which was attributed to the leadership of Loren Elsass, our local chapter president, and our advisor, Mr. Carter.

We have participated at a national level in the following contests: Mr. F.B.L.A., Parliamentary Procedure, the Miss F.B.L.A. contest, and the Gold Seal Chapter Award contest.

Our local community has had approximately seven hundred members that have belonged to our local chapter, No. 772, of F.B.L.A. during the past twelve years. These members have engaged in many worthwhile projects for the advancement of business education of future business leaders.

Three FTA members, Joi Rader, Linda Werner, and Angela Weissinger, take good advantage of their free time to prepare for their teaching careers.

LIBRARIANS' CLUB

Kenny Gee tries to catch Eric Kohler's attention to ask him to join in a spitball raid on the poor defenseless student librarians.

Fourteen charter members organized the Librarians' Club in the 1962-63 school year for students who were interested in learning the practical aspects of library service and the correct use of books.

One of the functions of this club is to provide student help in the library. The club has also sponsored a dance, observance of National Library Week, and is currently planning a field trip to the Lima Public Library.

The Senior Science Club of Wapakoneta High School is a group of interested junior and senior science students. The group meets monthly at school or at the home of their advisor, Mr. Taylor, to see movies, discuss science achievements, or to plan future trips.

This year the science club again journeyed to the campus of Miami University to visit the science buildings and, of course, to see a football game.

The group also traveled to the Westinghouse Corporation in Lima, Ohio, for a tour through the plant. Other sidelights made this club quite an interesting one to belong to.

The Latin Club is organized to increase the knowledge of classical civilization in the modern world. Its members believe that an acquaintance with the civilization of Greece and Rome will help them understand and appraise this world of today which is indebted to these ancient civilizations in its government, laws, literature, languages, and arts.

Latin Club students increase their knowledge and share their interest of the ancient language with others by attending the State J.C.L. Convention. On March 26, 1965, thirty-seven W.H.S. students attended this convention at Ohio State University.

Another extra-curricular activity which aids in the students' knowledge of the people and the times is the presentation of Caesar's Helvetian campaigns. This was given in the spring and proved helpful and informative to all.

FUTURE HOMEMAKERS OF AMERICA

Future Homemakers of America is the national organization of girls studying homemaking in high schools of the United States, Puerto Rico, and the Virgin Islands.

As an integral part of the homemaking program, F.H.A. provides opportunities for students to have additional activities in planning and carrying out experiences related to homemaking.

The over-all goal is reflected in the motto, "Toward New Horizons," which reminds members that their contributions to home life today will influence homes they will have tomorrow.

There are three degrees of achievement: Junior Homemaking, Chapter Homemaking, and State Homemaking. The colors of red and white symbolize strength and sincerity.

Meetings are held monthly. They consist of business, discussions, and demonstrations.

The Varsity Club was started as an organization where boys having letters in all organized sports can come together and pursue one of their main interests, athletics. Through this club they try to show that they are an interested part of the school and the things which the school endeavors to do. The varsity club tries to show that athletics are an integral part of the educational process, through school services.

Spirited Varsity Club members Ed Setser, Wilbur Schneider, Burton Andrews and David Whitaker pay their last respects to the Shawnee Indians' grave before the big Homecoming game.

The Spanish Club is composed of members of the first and second year Spanish classes. This year there were more than sixty members. SPORTS

Wapak High can boast of a fine athletic and interscholastic sports program. Under the direction of well-trained coaches the Redskin players are taught good athletic skills and excellent sportsmanship. Scholarship is also emphasized in conjunction with sports, with a high grade point average a requirement for team eligibility.

Redskin players compete with area schools in football, basketball, tennis, track, golf, and baseball. An especially brilliant pigskin season brought the first-place Western Buckeye League football trophy to Wapak High's trophy case.

Wapakoneta High School's Varsity basketball team under the guidance of Head Coach, Duane Baker, ended the season with a 7 won 9 lost record. Competing in the rough W.B.L., the "Redskins" showed a lot of spirit and poise, but the league had more than its share of good teams. Highlights of the season were: the win over arch-rival Celina, the game at Shawnee and Wilbur Schneider being named to the All-League team.

The Reserve and Freshmen teams showed a lot of promise during the 1964-65 season as they worked for a future varsity berth.

SPRING SPORTS '64

The spring of 1964 was an outstanding one for the Wapakoneta sports department. Tennis and baseball made additions to W.H.S.'s trophy case as each captured a first place in Western Buckeye League action. While our other two spring teams, track and golf, did not receive trophies, each showed marked improvement as they were in the process of rebuilding for future years.

CHEERLEADERS

VARSITY

Captain Judy Berg, Bev Regula, Jolene Zuercher, Margaret King.

The cheerleaders of W.H.S. are girls who try to the best of their ability to raise spirit throughout the school. During football season they go out even in the worst weather to cheer the team on to victory.

At the basketball games the girls split into two squads, the varsity and the reserves. Each roots for their respective team.

The cheerleaders also present numerous pep rallies throughout football and basketball seasons. These enable the girls to get the student body into the spirit of the game.

The cheerleaders meet in the summer to prepare for the coming season. They are also expected to attend cheerleading camp to obtain better knowledge in cheerleading.

Sherri Scott, *Captain* Vicki Bazill, Cathy Thitoff, Marjeanne Wiley.
